

**Master Class in Cardiac Amyloidosis:  
Disease Spectrum, Diagnosis and Management  
March 7-9, 2025  
Live Virtual Event  
Saurabh Malhotra, MD, MPH, Program Director**

Friday, March 7, 2025 5pm-7:30pm ET		
5:00 pm	<b>Introduction, Program Goals and Logistics</b>	Saurabh Malhotra, MD, MPH
5:05 pm	#1. ASNC's role in amyloidosis education	Panithaya Chareonthaitawee, MD
<b>Session 1: Disease and Pathogenesis: Moderator – Saurabh Malhotra, MD, MPH</b>		
5:10 pm - 5:40 pm	#2. Amyloid fibrils and amyloidogenesis	Jonathan Wall, PhD
5:40 pm - 6:10 pm	#3. Clinical manifestations of amyloidosis: moving the needle to early diagnosis	Frederick Ruberg, MD
6:10 pm – 6:40 pm	#4. Polyneuropathy for the non-neurologists	Tawfiq Al-lahham, MD
6:40 pm – 7:10 pm	#5. Need for increasing awareness of musculoskeletal manifestations of amyloidosis	Mazen Hanna, MD
7:10 pm	Summary and closing comments	Saurabh Malhotra, MD, MPH
Saturday, March 8, 2025 10 am-3:30 pm ET		
10:00 am	Introduction to Day 2	Saurabh Malhotra, MD, MPH
<b>Session 2: Diagnostic Techniques and Pitfalls: A Case-Based Discussion: Moderator - Prem Soman, MD</b>		
10:05 am – 10:35 am	#6. Routine and advanced echocardiography techniques	Matthew Parker, MD
10:35 am – 11:05 am	#7. Cardiac magnetic resonance for diagnosis and disease management	Sarah Cuddy, MD
11:05 am – 11:35 am	#8. Nuclear scintigraphy with bone avid tracers: Basics and beyond	Saurabh Malhotra, MD, MPH
11:35 am – 12:05 pm	#9. Amyloid mutations and role of genetic testing	Ashutosh Wechalekar, MBBS, MD
12:05 am – 12:35 pm	#10. Role of tissue diagnosis and challenges	Angela Dispenzieri, MD
12:35 pm	Final Comments	Faculty
Break		
<b>Session 3: Challenges in Diagnosis and Management of ATTR: Moderator – Frederick Ruberg, MD</b>		
1:00 pm – 1:45 pm	#11. Amyloidosis in the community	Isabelle Lousada Foluso Fakorede, MD
1:45 pm – 2:15 pm	#12. Challenges with access to treatment	Mathew Maurer, MD
2:15 pm – 2:45 pm	#13. Challenges in underrepresented populations (age, ethnicity)	Kevin Alexander, MD
2:45 pm – 3:15 pm	Panel Discussion – Everyday challenges	Faculty

3:15 pm	Closing Comments	
<b>Sunday, March 9, 2025 10:00 am ET – 12:45 ET</b>		
10:00 am – 10:05 am	Introduction to Day 3	Saurabh Malhotra, MD, MPH
<b>Session 4: Practical Concepts for Treatment of Amyloidosis: Moderator – Saurabh Malhotra, MD,</b>		
10:05 am – 10:30 am	#14. Application of prognostic markers in AL and ATTR amyloidosis	Andrew Staron, MD
10:30 am – 11:00 am	#15. Differentiating TTR from myeloma precursors	Anita D’Souza, MD
11:30 am – 12:00 pm	#16. How to determine choice of therapy: Is more better?	Prem Soman, MD, PhD
12:00 pm – 12:30 pm	#17. Management of HF in amyloid patients	Ahmad Masri, MD
12:30 pm – 12:45 pm	Q&A	Faculty
12:45 pm	Final comments and adjourn	Saurabh Malhotra, MD, MPH
