

Dear Participant:

The American Academy of Family Physicians (AAFP) provides the information below which serves as documentation for activity completion and may be retained for your files.

This Enduring Material activity, **Facing Severe Asthma: A Focus on Current and Emerging Agents**, has been reviewed and is acceptable for credit by the American Academy of Family Physicians. Term of approval begins 11/01/2019. Term of approval is for one year from this date. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Module 3: Pharmacologic Management of Poorly-Controlled Asthma** – Approved for 1.00 Prescribed credit

Following this CME activity, participants will have the opportunity to earn an additional two Prescribed credits for participation in each Translation to Practice® exercise. Information on Translation to Practice® will be shared within the activity.

CME activities approved for AAFP credit are recognized by the AOA as equivalent to AOA Category 2 credit.

Participant claims \_\_\_\_\_ credits for participation in this CME activity.
